References

Unless you are applying for QSM or NGICP, you must supply the names and contact information of four (4) individuals who are qualified to comment on your erosion, sediment, and stormwater inspection experiences.

Please let these individuals know that you are using them as a reference for certification and that they may be contacted.

Your application will be delayed if we contact a reference and they are unwilling or unable to provide information related to your inspection experiences and/or your ethics.

It is recommended, where possible, that at least one (1) of your references be a Certified Professional in Municipal StormWater Management (CPMSM), a Certified Professional in StormWater Quality (CPSWQ), a Certified Professional in Erosion and Sediment Control (CPESC), or a Certified Erosion, Sediment, and StormWater Inspector (CESSWI).

Important: ECI will only accept two (2) references from any one (1) company.
